

FOR IMMEDIATE RELEASE

Sitler's LED Supplies opens new Illinois office, alliance with BC Tech Group

Princeton, IL. - Effective immediately, Sitler's LED Supplies is excited to announce they are expanding their business to become a full service provider of quality LED lighting products and services to Illinois customers through a strategic alliance with BC Tech Group in Princeton IL.

As part of this alliance, Sitler's LED Supplies and BC Tech will also be providing customers with full support of processing qualifying rebates and incentives through Sitler's authorized Trade Ally status with ComEd and Ameren.

About Sitler's LED Supplies

Sitler's LED Supplies is located in Washington, IA with additional offices in Cedar Rapids and West Des Moines. With 41 years of lighting experience and a trained staff of LED lighting and utility rebate experts, Sitler's is the leading provider of quality LED products and services throughout Iowa with hundreds of satisfied customers and electrical contractors across a wide spectrum of business types and organizations.

Sitler's provides full, local warranty support on all products they distribute and are authorized Trade Ally Partners with Alliant, MidAmerican Energy, Ameren, ComEd, and many other local Municipal Utilities and REC's.
